Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

I, Dennis M. Carleton, Registration No. 40,938, represent that I am an attorney of record for the above-identified application. The present owner of the entire interest in the above-identified application is Apple Computer, Inc. (hereinafter referred to as "Owner").

In response to the Office Action dated June 27, 2006, the Owner of the instant application hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term of U.S. Patent 6,401,150 (hereinafter, "the Referenced Patent"), as such term is

defined in 35 U.S.C. §§ 154 and 173. The Owner hereby agrees that any patent so granted on the present application shall be enforceable only for and during such period that it and the Referenced Patent are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, the Owner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. §§ 154 and 173 of the Referenced Patent, as the term of the Referenced Patent may be shortened by: (1) failure to pay a maintenance fee; (2) a holding that the patent is held unenforceable or is found invalid by a court of competent jurisdiction; (3) a statutory disclaimer in whole or terminal disclaimer under 37 C.F.R. § 1.321; (4) having all claims cancelled by a reexamination certificate; (5) a reissue; or (6) termination in any manner prior to the expiration of its full statutory term.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

The present Terminal Disclaimer is accompanied by payment of the statutory fee of \$130.00, as required by 37 C.F.R. § 1.20(d). The Commissioner is hereby authorized to charge any underpayment and credit any overpayment to Deposit Account No. 02-4800.

Respectfully submitted,

Dated: 8/15/06
